Chords And Lyrics

By Saw Doctors

Intro – G-C-G-C ... G-C-G-C

Well I didn't see much future

When I left the Christian brothers school

So I waved it goodbye with a wistful smile

And I left the girls of Tuam

And sometimes when I'm reminiscing

I see the prefabs and my old friends

And I know that they'll be changed or gone

By the time I get home again

And I wish I was on that N 17 - (Stone walls and the grasses green)

Yes I wish I was on that N 17 -(Stone walls and the grasses green)

Travelling with just my thoughts and dreams

Intro – G-C-G-C ...

Well the ould fella left me to Shannon
Was the last time I travelled that road
And as I turned left at Claregalway
I could feel a lump in my throat
As I pictured the thousands of times
That I travelled that well worn track
And I know that things would be different
If I ever decide to go back

And I wish I was on that N 17 - (Stone walls and the grasses green)
Yes I wish I was on that N 17 -(Stone walls and the grasses green)
Travelling with just my thoughts and dreams

Break - G-C-G-C ... G-C-G-C
Strum G-C/G-G-C/G

Now as I tumble down highways - Or filthy overcrowded trains
There's no one to talk to in transit
So I sit there and daydream in vain

G C/G
And behind all these muddled up problems

G C/G
Of living on a foreign soil

G C/G
I can still see the twists and turns on the road

G C
From the square to the town of the tribes

G Em D
And I wish I was on that N 17 - (Stone walls and the grasses
green)

G Em D
Yes I wish I was on that N 17 -(Stone walls and the grasses
green)

C F G
