

# **N17 (Mandolin) Chords And Lyrics By Saw Doctors**

Intro – C-F-C-F ... C-F-C-F

Well I didn't see much future

When I left the Christian brothers school

So I waved it goodbye with a wistful smile

And I left the girls of Tuam

And sometimes when I'm reminiscing

I see the prefabs and my old friends

And I know that they'll be changed or gone

By the time I get home again

And I wish I was on that N 17 - (Stone walls and the grasses green)

Yes I wish I was on that N 17 -(Stone walls and the grasses green)

Travelling with just my thoughts and dreams

Intro – C-F-C-F ...

Well the ould fella left me to Shannon  
Was the last time I travelled that road  
And as I turned left at Claregalway  
I could feel a lump in my throat  
As I pictured the thousands of times  
That I travelled that well worn track  
And I know that things would be different  
If I ever decide to go back

And I wish I was on that N 17 - (Stone walls and the grasses green)  
Yes I wish I was on that N 17 -(Stone walls and the grasses green)  
Travelling with just my thoughts and dreams

Break – C-F-C-F ... C-F-C-F  
Strum C-F/C-C-F/C

Now as I tumble down highways - Or filthy overcrowded trains  
There's no one to talk to in transit  
So I sit there and daydream in vain

C F/C  
And behind all these muddled up problems

C F/C  
Of living on a foreign soil

C F/C  
I can still see the twists and turns on the road

C F  
From the square to the town of the tribes

C am G  
And I wish I was on that N 17 - (Stone walls and the grasses  
green)

C am G  
Yes I wish I was on that N 17 -(Stone walls and the grasses  
green)
