Sally Gardens (Mandolin)

- 1) It was (C) down by the (G) Sally (F) Gard- (C)ens,
 my (F) love and (G) I did (C) meet.
 She crossed the (G) Sally (F) Gard- (C)ens
 with (F) little (G) snow-white (C) feet.
 She bid me (F) take love (G) ea- (C)sy,
 as the (am) leaves grow (F) on the (C) tree,
 But I was (G) young and (am) foo- (G) lish,
 and with (F) her did (G7) not (C) agree.

- 2) In a (C) field (G) down by the (F) ri- (C) ver,
 my (F) love and (G) I did (C) stand
 And on my (G) leaning (F) shoul- (C) der,
 she (F) laid her (G) snow-white (C) hand.
 She bid me (F) take life (G) ea- (C) sy ,
 as the (am) grass grows (F) on the (C) weirs
 But I was (G) young and (am) foo- (G) lish,
 and (F) now I am (G7) full of (C)tears.

- 3) *Strope 1*
